

PETERS TOWNSHIP HIGH SCHOOL

DIAMOND BACKERS BASEBALL BOOSTERS

Dear Baseball Fan and Supporter,

The Peters Township Indians Baseball Booster Club, the Diamond Backers, is pleased to announce that plans are under way for the 2017 season! Peters Township baseball has a **rich tradition** of producing winning teams including Section Championships, WPIAL Championships as well as many players moving on to play at the collegiate level . Peters Township is also very proud of the fact that our teams have produced 8 players who were also drafted into the Major Leagues.

The success of our Indians is made possible because we have continued to have a great coaching staff, awesome young athletes and a tremendous amount of community support. The community support comes in many forms from our fans and local businesses in the way of advertising, corporate giving and in kind donations of products and services.

We invite you to continue your support of our baseball program, or as a new supporter, to join our TEAM! The Diamond Backers work year round to raise funds for the needs of our baseball program including scholarships, a winter work -out program for players and coaches, a Spring Training Trip, equipment and facility upgrades.

Our program believes in the tradition of competitive high school baseball and the benefits to the players and community by having a strong team to rally around. We know you may feel the same way and will offer your support to the Peters Township High School baseball program. Please see the attached list of support options available to your business. Your donation **IS tax deductible** and the Diamond Backers is happy to provide a tax receipt for your records.

Thank you for your support,

The Diamond Backer Board
