October 2, 2017

RE: Peters Township High School Baseball Diamond Backers

The Coffee Tree Roasters is proud to support the Peters Township Diamond Backers in their fundraising effort. To ensure the success of this important program, The Coffee Tree Roasters has developed a premium blend of two distinctively different Central American coffees. Each coffee is hand selected and individually roasted to their specific flavor profile and then blended together for a wonderfully balanced and flavorful cup.

To maximize the taste experience, use one ounce or one scoop of Diamond Blend Coffee per 12 ounces of water. Plan to enjoy your Diamond Blend Coffee within 10 days after opening.

As Pittsburgh's Premier Coffee Roaster, we travel the world over to select the farms that grow only the finest quality beans to ensure

"Coffee Fresh From The Tree"

Good luck Boys!
