Fax (724) 942-0915

## DEPARTMENT OF ATHLETICS

On Thursday, March 21, 2019 my son will be traveling to Myrtle Beach, SC to participate in the Ripken Experience. He will be on this school district approved trip from Thursday, March 21 until Monday, March 25. I give permission for my son to attend this trip with the other members of the Peters Township High School Varsity Baseball team. This trip will be supervised by Head Baseball Coach, Joe Maize and the other members of the high school baseball staff.

My son and I have discussed the importance of representing the Peters Township School District, the PTHS Athletic Department, and the PTHS Baseball program in a positive manner throughout the entire trip. We have discussed the consequences of possessing, transporting, or using any product (drugs, alcohol, and / or tobacco / vaping products) that is in violation of the Peters Township School District policies associated with the use of these products while on a school sponsored trip.

I have inspected my son's luggage, baseball bat bag, and personal backpack to make sure that there are no products in his travel bags that would violate school district policy. I certify that there are no products in his luggage that would violate the school district policies.

I agree that if my son make's a poor decision while on the 2019 school board approved trip and he is found in possession of any items discussed above, I will make travel arrangements for his trip home from The Ripken Experience in Myrtle Beach.
